HEALTH & SAFETY POLICY STATEMENT

Fern Plastics Products Ltd is committed to a policy of maintaining a safe working environment where employee, contractor and visitor safety is the highest priority.

We undertake to comply fully with the provisions of the Health and Safety at Work Act 1974 and any other acts that contain relevant statutory provisions. Accordingly Fern Plastic Products Limited undertakes to:

- Fulfil applicable legal and other compliance obligations.
- Ensuring safe and healthy working conditions for the prevention of injury and ill health.
- Setting objectives to enhance performance.
- Our system is designed to eliminate hazards and reduce risk through consultation and participation with employees, for all of our activities.
- To provide and maintain safe plant and equipment;
- To ensure safe handling and use of substances;
- To provide information instruction and supervision for employees;
- To ensure all employees are competent to do their tasks, and to give them adequate training;
- As far as is reasonably practicable, to prevent accidents and cases of work-related ill health To maintain safe and healthy working conditions;
- To review and revise this policy as necessary at regular intervals.

The system for producing the above controls can be found in the company health and safety manual.

Mark Stallard

Technical Director
